

The Cutting Edge

Summer is in full swing and I hope you are staying cool - and dry - as you enjoy time with your family and friends. I can't remember the last time Lexington had a 4th of July without rain but hopefully the weather hasn't dampened your spirits. As Surgery on Sunday volunteers and supporters, I know you have some of the brightest outlooks around!

Several readers took part in last month's newsletter naming contest, and I enjoyed reading your suggestions. SOS volunteers are not just optimistic but very clever. You will notice the winning name above and we can thank scrub tech **Judy Eversole** for her "punny" and appropriate entry. In addition to the surgical cuts we make, Surgery on Sunday is on the cutting edge since we were the first program of our kind in the nation, and still one of only a handful. Judy wins a gift basket with lots of SOS goodies and a \$25 gift card to Dunkin Donuts. Thank you to everyone who participated!

Gratefully,

Amanda Ferguson
Executive Director

Mellow Mushroom Gives Back

In addition to having great pizza and salads, Mellow Mushroom Pizza Bakers in Lexington has become an excellent corporate partner for Surgery on Sunday. They are our newest t-shirt sponsor thanks to a generous cash donation but have also agreed to a special deal during all of July.

Any time you dine at either Lexington Mellow Mushroom location - in Lexington Green or downtown on S. Upper - and spend \$20 or more, MM will give back \$5 to SOS, as long as you present the voucher linked below. So dine as often as you'd like during July and be sure to tell owner **Damon Coates** how much you appreciate his support. Eat pizza. Change lives!

Volunteer Spotlight

This month's featured volunteer is **Barb Underwood, R.N.** Barb has been with Surgery on Sunday for more than 10 years and runs the pre-op area on our surgical days. Even though she works full-time at Lexington Surgery Center, Barb always finds time to help others and is a great teacher for our new volunteers and nursing assistants.

She keeps us on track with all of the correct forms for the many different procedures we provide. Now don't think that Barb heads home for a nap after a busy surgery day. You will often find her competing in a bowling tournament on Sunday afternoons or heading to the nearest fishing hole. Thank you, Barb, for all you do to help Surgery on Sunday and our patients!
